Re: Joint Petition of Fort Mill Telephone Company d/b/a Comporium Communications and Lancaster Telephone Company d/b/a Comporium Communications for Approval of Changes in Boundary Line and for Approval to Grandfather Certain Customers  
**Docket No. 2010-179-C**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff (ORS) received and reviewed the above-referenced docket wherein Fort Mill Telephone Company and Lancaster Telephone Company, both d/b/a Comporium Communications, seek approval to clarify utility boundary lines for the companies.

As a result of the agreed upon boundaries between Fort Mill Telephone Company and Lancaster Telephone Company, the companies seek to grandfather certain customer service arrangements until there is a discontinuance of service at the location. Upon discontinuance of service at a particular location, the provision of service to a particular location will revert to the responsible incumbent local exchange. Grandfathering has been common practice for resolving situations where a customer or location has inadvertently been served by a carrier outside its designated service.

After full consideration of the companies' filing, ORS does not oppose these proposals.

If you have any questions or need additional information, please contact me.

Sincerely,
